Accommodation Facility

SS 222 Chiantigiana - Loc. Fontebecci, 4 - Siena

ACCESS REQUIREMENTS TO THE ACCOMODATION FACILITY

The stay in the reception facility is reserved exclusively for family members of patients admitted to the Santa Maria alle Scotte hospital, considering one family member for each hospitalized patient. The structure, in case of room availability, can reserve a room up to two family members for each patient, with the obligation to leave the room in case of need. The structure has ten bedrooms and five bathrooms with shower, each two bedrooms share a bathroom.

HOW TO ACCESS – CHECK-IN

Access to the facility is allowed from Monday to Sundays by telephone request to the following numbers:

- 333 9074268
- 338 8677631
- 335 6666301

The three volunteers to whom the three telephone numbers refer to establish the time for check in and check out. The stay in the structure cannot exceed the period of the hospitalization of the patient.

HOW TO REACH THE ACCOMODATION FACILITY

It is located on the SS 222 Chiantigiana Road, in the locality of Fontebecci number 4, in Siena. It is served by bus public transport service, lines S77 (Monday to Saturday) and S10 (Sunday). Tell the driver that the bus stops are the Hotel Anna and Via delle Province.

WHAT DO YOU NEED FOR THE CHECK-IN

Upon arrival you will be asked to show:

- a valid identity card;
- the family member's hospitalization certificate, issued by hospital ward;
- you should be in possession of bed linen and towels (if you don't have, they can be purchased as a complete kit at a cost of 25 EUR);
- read the internal regulation and declare to accept it.

FEES

Hospitality is free. If the guest can and wants, is possible to make a donation before leaving the structure.

EXCLUSIONS

There are no exclusions. The ACTI gives priority to the relatives of heart and lung transplant patients.

ASSISTANCE FOR THE RELATIVES

No assistance is provided except for the logistical one, provided by the volunteers of the accommodation facility.

MEALS

It is not allowed to eat meals inside the structure. For special needs, a small guest house is available and equipped with a refrigerator, microwave and coffee maker available for shared use with other guests. Upon the check, the guest receives letters as log-in credentials to eat at the hospital canteen. Restaurants and pizzerias in the surrounding area are discounted thanks to special agreements made by ACTI.

EQUIPMENT

The rooms are equipped with:

- single beds
- bedside table
- Wardrobe
- small table
- chair

Upon arrival, a mattress cover and a disposable pillowcase are delivered. The guest will be asked to remove them before leaving the facility, paying attention to leave the room in the same condition as it was initially found. In the guesthouse there is everything you need for the daily cleaning of the room and the bathroom.
